The Lessor reserves the right to restrict certain vehicles due to size, width, length, and height. Lessee(s) is/are prohibited from selling, reselling, or renting parking spaces.

CHECK-IN and CHECK-OUT INSPECTIONS

Check-in and check-out inspections shall be scheduled during the Lessor's normal business hours (9:00 am to 4:30 pm, Monday through Friday). Exceptions may be made subject to the Lessor's availability. The Lessee(s) is/are responsible for contacting the Lessor at least 10 days prior to the lease start and end dates to schedule check-in and check-out inspections. Failure to schedule the required check-in or check-out inspection may result in a \$50 fee. Check-in inspections occur on the lease start date or any business day thereafter during normal business hours. Check-out inspections may occur on or before the lease expiration date. Early check-out inspections with no problems or issues can expedite the deposit refund. Check-in and check-out inspections will only be conducted with parties to the lease. All other parties are to remain outside of the rental unit until

this inspection is completed. No personal possessions are to be moved into the rental unit until the check-in inspection is complete; and all possessions must be removed from the unit and property for the check-out inspection to occur.

The Lessee(s) agree(s) at the expiration of this lease to peaceably deliver the premises in as good a condition and repair as documented during check in, or in as good a condition and repair as the Lessor may at any time during the lease put the same in. At the expiration of this lease, the Lessor, representatives, and/or assignees, may enter upon and take possession of the premises and expel the occupants thereof, without in anyway being a trespasser. The failure of the Lessor to take possession of the premises at the time aforesaid, shall not estop the Lessor from afterwards asserting said rights, and the occupancy of the premises by the tenant, after the expiration of the lease, or the forfeiture thereof, shall give the Lessee(s) no rights as a tenant but the Lessee(s) may be expelled at any time without notice. There is no month-to-month extension granted or presumed.

Any resident moving from one Burnham Rentals rental unit to another Burnham Rentals rental unit will be required to vacate the current rental at the current lease expiration. All personal belongings must be removed and a full check-out inspection will occur. Lessor does not and will not provide any storage facilities. Lessee(s) will then move into the new rental unit on the new lease start date specified in the new contract. A second deposit is required for the new lease. The original deposit will not transfer to the new lease.

Check-out inspections will be conducted when the Lessee(s) has/have cleaned the rental unit, removed all personal items, and is/are prepared to turn over key(s) for the premises. Lessee(s) is/are responsible for cleaning the rental unit, and the Lessor will provide Lessee(s) with a checklist of cleaning requirements at least 20 days prior to lease expiration. If the rental unit is provided with Compact Florescent Lightbulbs (CFL) or Light Emitting Diode (LED) bulbs at move in, Lessee(s) must replace any burned out or missing CFL or LED bulbs with the exact same size, wattage and style by the check-out inspection. If this is not done, the Lessee(s) will be charged for the CFL or LED replacement.

The Lessee(s) must have any carpeted areas in the rental unit cleaned by a professional carpet cleaning company located in Monroe County, at the time of their vacating. Lessee(s) must **provide a paid receipt** to the Lessor showing the carpet cleaning has been completed. Carpet cleaning must occur after all personal items (including furniture) have been removed, all cleaning is done, and the Lessee(s) is/are ready to turn over the keys to the Lessor. In some cases it may be necessary to delay the carpet cleaning until Lessor has completed repairs needed after damages have been caused by Lessee(s). If the Lessor has to make arrangements for carpet cleaning or general cleaning of the rental unit, an administrative charge of \$35 will be assessed to the Lessee(s) for each occurrence. Failure to leave the rental unit in a clean condition or condition denoted at check-in inspection will result in cleaning charges being deducted from the damage deposit at the end of the lease period. **The rental unit will not be checked in or out if the electricity has been disconnected.** If utilities are disconnected before check out, the Lessee(s) is/are responsible for reconnect service fees. The water meter will be read at check out, and the final water/sewer charges will be deducted from the deposit. Any past due water bills will also be deducted from the deposit

At the expiration of this lease, all personal belongings of the Lessee(s) are to be removed from the rental unit. If items remain on or in the premises after the expiration of this lease, items will be disposed of at the Lessor's discretion, and a disposal fee of \$100 will be imposed to the Lessee(s). If an agreement has been reached between the outgoing Lessee(s) and the incoming Lessee(s) regarding items to remain in the rental unit, the Lessor must receive a letter signed by both parties identifying the items to remain in the rental unit. Incoming Lessee(s) assume(s) the responsibility for the removal and disposal of any items at the end of the lease term. Lessor claims no responsibility and will not be held responsible if items transferred between new Lessee(s) and past Lessee(s) cause any problems with cleaning or preparation of rental unit. Lessee agrees to accept the rental unit as is if this condition exists. Lessee(s) shall be held responsible for any fines assessed by the City of Bloomington as a result of any actions by the Lessee(s). Lessee(s) shall not dispose of furniture or other personal items in any dumpster of the Lessor or any property of the Lessor. Should this occur, Lessee(s) shall be charged the disposal fee assessed to the Lessor by the Lessor's trash removal company, plus an administrative charge of \$50. Failure to return keys at the end of the lease term shall result in a charge of \$15 per key. It is the responsibility of the Lessee(s) to provide the Lessor with forwarding address(es).

EVICTION

Upon failure of the Lessee(s) to pay monthly rental payments in advance as due, or upon failure of the Lessee(s) to comply with any of the conditions of this lease, the Lessee(s) shall be subject to immediate eviction proceedings. Upon court approval or expiration of this lease, the Lessor, representatives, and/or assignees, may enter upon and take possession the premises and expel the occupants thereof, without in anyway being a trespasser. The failure of the Lessor to take possession of the premises at the time aforesaid, shall not estop the Lessor from afterwards asserting said rights, and the occupancy of the premises by the tenant, after the expiration of the lease, or the forfeiture thereof, shall give the Lessee(s) no rights as a tenant but the Lessee(s) may be expelled at any time without notice.

In the event the Lessor, either through court action or agreed terms with the Lessee(s), requires the Lessee(s) to vacate the rental unit prior to the lease expiration, the Lessee(s) will be held responsible for all past, current, or future rents due under the term of this lease. Upon failure to pay rent at maturity or to surrender possession at the expiration of this lease, as liquidated damages for said failure, it is agreed that double the rent above specified shall be paid for the time the rent remains due or unpaid or Lessee(s) hold(s) possession without right. Should a lawsuit be instituted to collect rent and/or to obtain possession of the premises, the Lessee(s) agree(s) to pay attorney’s fees therefore.
